Founders Circle Benefits of Membership

Young People in Recovery (YPR) is a national, peer-led organization that serves youth and young adults in recovery from substance use disorder. YPR envisions a world where all young people have the resources they need to thrive in recovery from addiction to drugs and alcohol. YPR's mission is to provide the life skills and peer supports to help people recover from substance use disorder and reach their full potential. Membership in the Founders Circle supports the general operations of YPR while giving your organization's leaders the opportunity to become more engaged in our work, collaborate on issues of shared concern, and promote sustained recovery for youth and young people nationwide.
